CanadaGAP Announces Rescheduled AGM and Publication of Annual Report

OTTAWA – The Annual General Meeting for CanadaGAP has been rescheduled to Monday, February 10, 2014. The meeting will take place by phone/web conference. Members are receiving direct notice and details about calling and logging in. Further information is available at:

<http://www.canadagap.ca/events/annual-general-meeting/>

CanadaGAP is also pleased to announce the publication of the 2013 Annual Report. The report provides a summary of the year's activities, and highlights the program audit and participation trends. A copy is available for download at: <http://www.canadagap.ca/publications/annual-report/>

The financial statements are available to members and can be accessed on the Members Only page of the website.

About CanadaGAP

CanadaGAPTM is a food safety program for companies that produce, pack and store fruits and vegetables. It is designed to help implement effective food safety procedures within fresh produce operations. Two manuals, one specific to Greenhouse operations, the second for other fruit and vegetable operations, have been developed by the horticultural industry and reviewed for technical soundness by Canadian government officials. The manuals are designed for companies implementing Good Agricultural Practices (GAPs) and maintaining an effective food safety program.
