

COMMUNIQUÉ CANADAGAP® COMMUNIQUÉ

To: CanadaGAP Stakeholders
Date: January 27, 2023
Subject: **Understanding the CanadaGAP Program Course (LIVE ONLINE) -Two training opportunities this spring!**

Two of CanadaGAP's training providers are offering the *Understanding the CanadaGAP Program* course live online this spring. **These courses are separate offerings – please read the details carefully.**

This two-day introductory course is designed to educate attendees on the CanadaGAP Food Safety Program. It includes general information about the CanadaGAP program, certification and an overview of the main technical requirements.

*Please note, the Understanding the CanadaGAP Program course is **not** equivalent to the CanadaGAP Auditor Training Course. Participation in the Understanding the CanadaGAP Program course cannot be used to meet the CanadaGAP auditor requirements. Please visit the [CanadaGAP website](#) for additional information.

How will I benefit from this course?

- Understand how to become certified to the CanadaGAP Program (how to enrol in the program; how to keep records; how to prepare for an audit, etc.)
- Understand basic food safety hazards in fresh produce operations
- Understand how to use and implement the CanadaGAP Food Safety Manual

Who should take this course?

- Growers/producers, packers, repackers, wholesalers and brokers interested in becoming certified
- Program participants and persons responsible for the food safety program
- Agriculture sector professionals and consultants
- Buyers or other stakeholders
