Subject: **CanAgPlus 2024 Board of Director Nominations**

CanadaGAP® is now accepting nominations for candidates to serve on the Board of Directors for CanAgPlus, the not-for-profit corporation that owns and operates the CanadaGAP Program.

CanAgPlus relies on volunteer leaders to guide decision making and oversee management of CanadaGAP. Participation on the Board of Directors affords volunteer leaders the opportunity for personal growth and satisfaction in moving the program forward and improving food safety in the fresh produce industry.

CanAgPlus directors will be elected by members (i.e., those who are enrolled in the CanadaGAP Program) at the 2024 Annual General Meeting. See <http://www.canadagap.ca/events/annual-general-meeting/> for further information.

Composition of the Board of Directors

CanAgPlus is currently seeking nominations for four (4) directors to the Board. The Board is comprised of 8 directors in total, serving two-year rotating terms to ensure some continuity in membership.

Nominations

A recommended slate of nominees will be prepared in advance of the AGM for circulation to members and presented for vote at the AGM. In accordance with provisions in the corporate by-law, and subject to applicable rules of order during meetings of members, nominations may also be made by ordinary resolution at the AGM.

Criteria for Directors

Candidates are expected to have a strong interest in supporting CanAgPlus in meeting its objectives to maintain the integrity of the CanadaGAP food safety standard and deliver a robust certification program for the fresh fruit and vegetable industry. - Exhibit ability to communicate interpersonally, provide facilitative leadership, and enforce group discipline on board processes.
- Strong understanding and experience with the appropriate roles, group processes and corporate bylaws and policies that form systems of corporate governance.
- Demonstrated judgment and integrity in an oversight role.
