

COMMUNIQUÉ CANADAGAP[®] COMMUNIQUÉ

To: CanadaGAP Program Participants
Date: September 2, 2025
Subject: IMPORTANT: Contact Information Check-in and Program Participant Survey

You are receiving this message as the main email address listed for the person responsible for your operation. Your attention to the two items listed is appreciated.

1. Confirm your Operation's Contact Information

Please contact the CanadaGAP office to request the contact details for your operation. Please note that if a CanAgPlus contact is designated, that person will receive the AGM registration package. Otherwise, the person responsible for the operation will receive the package.

If any changes are required, please complete the Change of Status form and return it to the CanadaGAP office.

Please note that the program uses email communication by default. If you wish to receive communications only by mail, note that on the Change of Status form or send us an email to that effect by [clicking here](#) (include your operation name).

2. Program Participant Survey

CanadaGAP is seeking your feedback with a very short survey about audit services under the CanadaGAP program. The survey takes less than 5 minutes to complete, and we would greatly appreciate your feedback.

Please complete the [survey on-line by clicking here](#). All responses will be treated confidentially.

If you prefer to complete a paper copy, you can download one from the Program Participants page of the CanadaGAP website. To access the survey, [click on the Program Participant Survey button](#).

Thank you for taking the time to complete the survey.

CanadaGAP[®] is a program developed in Canada to promote Good Agricultural Practices (GAPs) for fruit and vegetable suppliers.
