Merci

[Introduction to the CanadaGAP Program](#)

August 12-13, 2014

Guelph, Ontario

Registration Deadline: July 29, 2014

Click [here](#) for more information

This two day-course is designed to educate attendees on the CanadaGAP Food Safety Program. It includes general information about the CanadaGAP program, including details on how to become CanadaGAP certified, along with a review of the main technical requirements laid out in the CanadaGAP program. At the end of the program, you will:

- Understand how to become certified to the CanadaGAP program (including how to enrol in the program, how to keep records, how to prepare for an audit, etc.)
- Understand basic food safety hazards in fresh produce operations
- Understand how to use and implement the CanadaGAP manual

Who Should Attend?

1. Agriculture Sector Professionals
2. CanadaGAP Auditors
3. Farmers
4. Growers / Producers of Fresh Fruits and Vegetables

*Delivered in partnership with:*

**CANADAGAP**
