

COMMUNIQUÉ CANADAGAP® COMMUNIQUÉ

To: CanadaGAP Stakeholders
Date: January 8, 2018
Subject: NSF International offers “Understanding the CanadaGAP Program”

NSF International is offering the “Understanding the CanadaGAP Program” course **February 12-13, 2018** in **Guelph, Ontario**.

Course Details

This two-day course is designed to educate attendees on the CanadaGAP Program. It includes general information about the CanadaGAP program, including details on how to become CanadaGAP certified, along with a review of the main technical requirements laid out in the CanadaGAP program. At the end of the program, you will be able to:

- Understand how to become certified to the CanadaGAP program (including how to enrol in the program, how to keep records, how to prepare for an audit, etc.)
- Understand basic food safety hazards in fresh produce operations
- Understand how to use and implement the CanadaGAP manual

Who should consider taking this course?

- Program participants who want to further their understanding of CanadaGAP requirements
- Agriculture Sector Professionals and Consultants
- Growers/Producers, Packers, Repackers, Wholesalers and Brokers interested in becoming certified
- Those responsible for the food safety program within your company
- Buyers or other stakeholders

Course Cost

Member Rate: \$699 + tax
Early Bird Rate (by January 22): \$735 + tax
Regular Rate: \$775 + tax
