

To: CanadaGAP Stakeholders
Date: February 14, 2019
Subject: Register for the March 26-27 Understanding the CanadaGAP Program Course

Have you ever wanted to learn more about the CanadaGAP Program? [Register now for the Understanding the CanadaGAP Program](#) course provided by NSF International Training and Education.

This two-day introductory course, offered on March 26-27 in Guelph, Ontario, is designed to educate attendees on the CanadaGAP Food Safety Program. It includes general information about the CanadaGAP program, certification and an overview of the main technical requirements.

How will I benefit from this course?

- Understand how to become certified to the CanadaGAP Program (how to enrol in the program; how to keep records; how to prepare for an audit, etc.)
- Understand basic food safety hazards in fresh produce operations
- Understand how to use and implement the CanadaGAP Food Safety Manual

How much does it cost?

- Early bird fee \$735 + tax (register by March 5, 2019)
- Member fee \$699 + tax
- Regular fee \$835 + tax

Who should take this course?

- Growers/producers, packers, repackers, wholesalers and brokers interested in becoming certified
- Program participants and persons responsible for the food safety program
- Agriculture sector professionals and consultants
- Buyers or other stakeholders
