

COMMUNIQUÉ CANADAGAP® COMMUNIQUÉ

To: CanadaGAP Stakeholders
Date: March 19, 2019
Subject: CanadaGAP Certification Bodies Offering Services Across Canada and in the U.S.

Last week, program participants using SGS Canada were asked to choose a new certification body for their CanadaGAP audits and certification. SGS will not be providing services for CanadaGAP after June 30, 2019.

Did you know that both CanadaGAP-licensed certification bodies, NSF Canada Ag and the BNQ (Bureau de normalisation du Québec), offer bilingual certification services across Canada, and in the United States?

To contact BNQ, call 1-800-386-5114 ext. 2451, email andreanne.bilodeau@bnq.qc.ca or visit their website at <https://www.bnq.qc.ca/en/>

To contact NSF, call 1-519-821-1246 or visit their website at <https://www.nsfcanada.ca/>

If you need to transfer from SGS to BNQ or NSF, please complete the attached [Change of Status Form](#). Answer question 4 to indicate your choice of a new certification body, and send the signed form to the CanadaGAP office by mail, email to info@canadagap.ca or fax to 613-829-9379.

If you have any questions, contact the certification bodies listed above, or the CanadaGAP office at info@canadagap.ca or 613-829-4711.

CanadaGAP® is a program developed in Canada to promote Good Agricultural Practices (GAPs) for fruit and vegetable suppliers.
