

To: CanadaGAP Stakeholders
Date: September 24, 2019
Subject: Understanding the CanadaGAP Program Course offered in Calgary

The Alberta Food Processors Association (AFPA) will be offering the Understanding the CanadaGAP Program course in Calgary, November 5-6, 2019.

This two-day introductory course is designed to educate attendees on the CanadaGAP Food Safety Program. It includes general information about the CanadaGAP program, certification and an overview of the main technical requirements.

The cost of the course is \$925 for AFPA members and \$1025 for non-members, plus GST. Lunch is included in the cost of registration.

Who should take this course?

- Growers/producers, packers, repackers, wholesalers and brokers interested in becoming certified
- Program participants and persons responsible for the food safety program
- Agriculture sector professionals and consultants
- Buyers or other stakeholders

To register, interested participants must complete the registration form found on the AFPA website at https://afpa.com/fsq_courses. Click on the 'Dates and Registration' orange button to download and complete the registration form.

Completed registration forms can be sent via:

- Email: info@afpa.com
- Fax: 403-201-2513, or
- Mail: AFPA, #100W, 4760-72 Avenue SE, Calgary, AB T2C 3Z2

If you have questions, contact Melody Pashko, General Manager, AFPA by emailing melody@afpa.com or by calling 403-201-3657 ext. 21.

CanadaGAP® is a program developed in Canada to promote Good Agricultural Practices (GAPs) for fruit and vegetable suppliers.
