

COMMUNIQUÉ **CANADAGAP**  COMMUNIQUÉ

To: CanadaGAP Program Participants
Date: April 8, 2020
Subject: Paperless Billing

As we constantly look to improve our processes at CanadaGAP, we have recognised that using mail for billing and accounts receivable is not the most efficient process. Saving money on administration enables us to keep the annual fees we charge to CanadaGAP program participants at a minimum.

We would like to give you the option of going paperless and receiving your invoices, accounts receivable communications and other program communication by email only. Opting to receive these through email helps all of us to shorten the invoicing process, reduce paper to support a healthier environment, and allows you to manage your documents and accounts payable electronically.

If you would like to receive your invoices and program communication by email only, please provide your consent by emailing the following details to billing@canadagap.ca:

Legal Operating Name: _____

Name of Person Responsible: _____

Email address for Billing: _____

Email address for other correspondence: _____

We thank you for your cooperation and appreciate your prompt attention to this matter.

CanadaGAP® is a program developed in Canada to promote Good Agricultural Practices (GAPs) for fruit and vegetable suppliers.
